*XR60 router purchased and registered in ALMS in 2024 will get 5 years of AirLink Complete. Conditions available on www.sierrawireless.com/router-solutions/airlink-xr60-promotion/

Semtech, formerly Sierra Wireless, has built this program to be as simple and accessible as possible. It is valid for all – existing and new – customers that purchase and register an AirLink XR60 router in 2024.

The 5-year AirLink Complete subscription includes:

- 5 years of access to AirLink Management Service (ALMS) for remote device and security management
- 5 years of direct access to expert technical support from Semtech
- 5 years of hardware warranty

To take advantage follow these 3 simple steps:

STEP 1

Purchase your XR60 Router from [Westbase.io](https://www.westbase.io) between January 1, and December 31, 2024.

STEP 2

Register your router in [ALMS](https://www.westbase.io) between January 1, and December 31, 2024.

STEP 3

Upon registration, you will automatically receive 5 years of support, warranty and access to ALMS.

Contact your Westbase.io account manager today to place your XR60 order: +44 (0) 1291 437 567, +31 (0) 35 799 2290, or hello@westbase.io.
